REPORT

PRESENT
FOR
THE FUTURE

OUR VISION

Nation building through transformational leadership

OUR MISSION

Creating equitable opportunities for leadership, through focused philanthropy.

"EDUCATION IS NOT THE FILLING OF
A PAIL BUT THE LIGHTING OF A FIRE"
W. B. YEATS

SHIV NADAR FOUNDATION

SNF is focused on creating leaders from various walks of life. All Institutions of the Foundation are therefore working towards bridging the urban-rural gap using the transformative power of education by creating an academic model that is inclusive, experiential, gender-equal and leadership-oriented.

It is our belief that, for India to have a better future, it is important to nurture the children and youth of the country, today. Thus, we commit not only significant financial resources, but also our creative talents to create iconic institutions of excellence and raise a self-reliant next generation.

Whenever a student at any of our institutions says 'Present Sir', SNF is Present for the Future.

RISING ABOVE THE ORDINARY

The blooming of a lotus, untouched by the murkiness of its surroundings, is indeed a miracle. Pristine and unblemished, it embodies the ability to rise above limitations of environment and circumstance to maximize one's inner potential.

At SNF, our symbol – the lotus is an inspiration and promise to our own selves and the world. It constantly reminds us that, with the gift of today's actions, we can rise above the ordinary towards a beautiful future.

“IF WE COULD SEE THE MIRACLE OF A SINGLE FLOWER CLEARLY, OUR WHOLE LIFE WOULD CHANGE”
THE BUDDHA

CHAIRMAN'S MESSAGE

When I see the students of Shiv Nadar Foundation, I am filled with hope for the future. They remind me of my own journey, from a small town in Tamil Nadu to the success of today. Their happy, eager faces offer constant reaffirmation of my belief in the immense power of education – the power to open minds, transform lives, and create the leaders of tomorrow.

Shiv Nadar, Founder & Chairman,
Shiv Nadar Foundation

India is a young nation and I see immense talent and potential. With equal and adequate opportunity, the youth can lead us into a more self-reliant and prosperous future. Therefore, the Foundation envisions and works towards an equitable society built on the pillars of meritocracy and transformational education.

SNF institutions are inclusive centers of learning, imparting multi-disciplinary education and developing leadership skills relevant for the 21st century. Strongly grounded in transparency and governance, the Foundation seeks to imbue its institutions with powerful self-sustaining processes, guidelines and a vision that will establish them as change agents in society.

When I started the Foundation in 1994, I committed myself to building institutions with a soul that would hand-hold India's children and youth. We have chosen to walk the path of Creative Philanthropy, by dedicating substantial financial resources as well as our time, effort and skills to bring about a positive change across generations.

2014 has marked the emergence of a new India. I see it mirrored in SNF's journey this year. The dedication, actions and vision of our youthful leadership have filled me with great satisfaction. I am certain that the Foundation's effort will have far reaching impact and would wipe out social inequalities in the long term.

Being a part of India's leading philanthropic organization, it is with pride and conviction that I say today: The Shiv Nadar Foundation is ever 'Present for the Future'.

VIDYAGYAN

VidyaGyan (VG) is a leadership academy built on the concept of a true Indian 'gurukul' – a world-class educational institution for meritorious students from rural India.

A pioneering social experiment to bridge the urban-rural divide, VidyaGyan exemplifies the Foundation's belief in the power to transform the lives of not just individuals, but whole villages and entire communities.

Unique and powerful in many ways, the VidyaGyan model could hold relevance and promise for developing countries around the world. It unshackles world-class education from its urban framework and makes it accessible to disadvantaged communities, where the impact is dramatic and exponential. It rewards the deserving and creates role-models for empowering individuals.

Process rigor, merit orientation, pedagogical approach and life-skills training come together in VidyaGyan to bring forth the true potential of the underprivileged children of rural Uttar Pradesh.

SELECTING THE BEST

RURAL PRIMARY SCHOOLS

75 DISTRICTS

VIDYAGYAN LEADS AND INSPIRES

VidyaGyan searches for the best students from rural India, nurtures them over seven long years and helps them realize their true potential for both the individual and the community.

Holistic excellence

VidyaGyan students undergo rigorous training in life-skills, leadership, philanthropic and problem-solving techniques. English and computer proficiency, urban exposure and active pursuance of co-curricular interests such as arts, music and sports help VidyaGyan students become balanced, well-educated individuals. Each student is encouraged to take up and implement a social entrepreneurial initiative.

Community impact

The exposure and training at VidyaGyan, combined with the instinctive understanding of own communities, make VidyaGyan students ideal change agents - inspiring and leading their villages. An indigenous low-cost water filter and a smokeless oven have been designed by VidyaGyan students, meant for distribution in their villages, to bring about a sea-change in village health. Long-seated gender biases, inequalities and adult illiteracy are also being challenged.

SHIV NADAR SCHOOL

Rapid and relentless change, catalyzed by technology and innovation, is the defining feature of our times. Just as the environment of today was inconceivable a decade ago, the future that our children will grow into can hardly be foreseen. Preparing them for what would probably be a very different tomorrow means that we educate them differently today. This is the core philosophy that drives Shiv Nadar School (SNS) - the pan-India K-12 urban education initiative of SNF.

Unique model of education

The Shiv Nadar School seeks to impart education that builds character, fosters creativity and develops life-long learners and well-adjusted, socially-aware global citizens. A better future for India and the world requires that we raise our children to be globally sensitive. Greater involvement, a creative environment, and focus on core values starts this process early at the Shiv Nadar School.

EDUCATION FOR LIFE

Five pillars

Innovative pedagogy, technology-enabled learning, high-quality teachers, a creative learning environment and a value-driven culture – these are the founding pillars of the Shiv Nadar School. The curriculum, teaching, assessment methods and mentoring philosophy of the institution are designed to deliver the school's motto 'Education for life'.

A different way to learn

The interdisciplinary AHA curriculum encourages student inquiry, creative thinking, conceptual understanding and develops confident independent learners. A structured career development program helps children discover and develop their unique aptitudes. Teaching children how to learn and think for themselves, the difference between right and wrong and igniting their emotional and social empathy for the community and world at large, is the focus at Shiv Nadar School.

Funkaar at Shiv Nadar School

'The Funkaar Week' at the Shiv Nadar School best exemplifies the school's philosophy of immersion in learning. This week-long cultural fest aims to bring out the artist or 'Funkaar' inherent in each child by exposing them to a variety of art forms and live presentations by exponents. A Chau Dance workshop, a Kathakali demonstration, practicing weaving and Madhubani paintings with skilled craftsmen are examples of the unique, experiential learning during the Funkaar week.

SSN

Academic excellence

The SSN College of Engineering is one of the top-ranked private engineering colleges in India. The first initiative of SNF, it has carved a place of repute for itself in the past 18 years. Known for its merit-orientation, research-focus and inclusive scholarships, SSN has furthered the engineering and technological capabilities of India's youth.

SSN intends to create a synergy between high quality education and research. In an endeavor to provide students with the best research infrastructure, SSN has collaborated with top corporates of India.

Pioneering affiliations

The first engineering institution to earn the ISO certification and the first institution to collaborate with Carnegie Mellon University for their MSIT programme, SSN has many achievements to its credit. The students also benefit from active partnership with the National Tsing Hua University of Taiwan and the Aichi Institute of Technology, Japan. SSN alumni now work in the best of organizations around the world, and campus placements are robust.

Research orientation

SSN is a research-oriented institution and faculty members are active in research, which is often funded by the institution itself. Apart from that there is also the Research Advisory Council of SSN, led by eminent scientists from India. MOUs have been signed with Infosys Technologies, HCL Technologies and IBM for research projects. 'The World's Longest Crystal' project and 'Robotic Telepresence in Academia' researching artificial intelligence are noteworthy SSN projects.

SSN scholarships

Shiv Nadar Foundation's commitment to provide inclusive world-class education is seen in SSN's Scholarship programs that support deserving students. Till date, 4506 students have been awarded scholarships worth US\$ 7 Mn. Rural scholarship for toppers from government schools in rural India, merit scholarships for the deserving students from economically challenged sections, and sports scholarships for achievers in sports are disbursed each year. Many first generation learners, who benefited from SSN scholarships are today placed across the globe and are supporting other disadvantaged students like themselves.

SSN-
POWERING THE COMMUNITY

Vidiyal

With the aim to make the benefits of higher-education available to many more, SSN drives a landmark project, known as Vidiyal, in the backward districts of Tamil Nadu. Vidiyal seeks to encourage enrolment for higher education among students of 10th, 11th and 12th standards. Since October 2012, the project has reached out to 3350 students.

Students at the SSN Laboratories

360 DEGREE DEVELOPMENT

Distinguished SSN alumni

From music to entrepreneurship, SSN alumni have established themselves at the forefront of society

A few notable SSN alumni include

- Varun Krishnan: Founder, Foner, one of India's popular web sites for mobile enthusiasts
- Anuradha Chandrasekaran, Nivethitha Kumar, Dhivya Arasappan: Founders, The Banyan Trees, an on-demand online magazine
- Vinod Krishnan: Music composer for the short film, 'Fortune cookies'
 - Ashwath: Short films director
- S S Nirmalkumar: Founder, Silence Stocks Solutions, which develops board games to teach finance interactively

SPORTS AT SSN

SSN is known for its strong focus on extra-curricular activity and participation in national and international sporting events. In addition to merit and rural scholarships, SSN disburses special sports scholarships to students, encouraging them to achieve excellence in their chosen area of interest. This has led to SSN students winning accolades in major national and international sporting events.

SSN SPORT STARS

SHIV NADAR UNIVERSITY

The world needs leaders and innovators. For this, it looks expectantly to its youth, seeking their involvement and ideation for the betterment of society. The Shiv Nadar University (SNU) is an endeavor to build a world-class multi-disciplinary institution for higher learning. Supporting research, scholarly and creative endeavors, as well as integrating research with teaching is the focus of SNU.

SNU is a 'not for profit body corporate' constituted by the Uttar Pradesh Legislature by passing "The Shiv Nadar University Uttar Pradesh Act, 2011" ("Act"). The University is being independently governed/managed by the various Governing Bodies (like Executive Council, Court, Academic Council etc.) and its officers (like Chancellor, Vice Chancellor, Director, Finance Officer etc.) deriving their management controls and powers from the Act and charter documents of the University - Statutes & Ordinances.

Unique multi-disciplinary curriculum

The multi-disciplinary curriculum approach at SNU is the first of its kind in India. It lets students specialize in a particular field and also gives them the freedom to study and experiment with a range of minor and elective subjects. The University offers undergraduate, post-graduate and doctoral programs in a range of disciplines - Engineering, Humanities, Sciences, Social Sciences, Management and Entrepreneurship. It encourages learning that is application-oriented and geared for solutions.

Global links

SNU addresses a vital gap in India's higher-education infrastructure, through its research-driven, multi-disciplinary educational experience. Strategic alliances with the best universities form the basis for designing collaborative academic programs and experiential learning opportunities, suited to the needs of the faculty and students of SNU. Duke University's renowned Talent Identification Program (TIP) collaborates with SNU to develop and implement educational activities for academically talented students in India.

Research oriented

The faculty at SNU is the best in the world with international experience and keen interest in research. In addition, SNU also has five focused centers of research, where various faculty members and students coordinate to contribute to the creation of new knowledge. Currently, research is being carried out in a variety of fields at SNU - primarily geology, computational finance, mathematics education, nano science, design of organic semiconductors, social policy and development economics.

THE FUTURE OF ART

KNMA

The art of a nation is the signature of its soul, reflective of its history, evolution, culture and times. The Kiran Nadar Museum of Art (KNMA) is a pioneering enterprise, in sync with SNF's ideals of transforming India through creative action and education. A one of its kind philanthropic museum, KNMA envisions itself as a confluence zone for artists and the public.

Art for everyone

KNMA is a democratic, educative art zone, engaging in the display of art for public awareness and preservation of cultural heritage. Originating from the personal collection of Kiran Nadar, an avid art collector, KNMA today showcases India's most celebrated artists. KNMA owns more than 1200 pieces of work and new displays are planned every 6 months.

Like all other SNF initiatives, KNMA is a unique transformative force, working today to create a deeper connect of the masses with art in India.

OUR VISION

TO MAKE CONTEMPORARY ART
VISIBLE AND ACCESSIBLE TO THE PUBLIC-
BOTH WITHIN INDIA AND GLOBALLY

"ART CAN AWAKEN SENSIBILITIES
AND SENSITIVITIES THAT CLASSROOM
EDUCATION ALONE CAN'T STIR UP"

KIRAN NADAR
CHAIRPERSON, KNMA

A school group visiting KNMA

A museum. Not an art gallery

Overthrowing the traditional environment of museums in the country, KNMA is a unique art museum that re-dedicates Indian art to the country and the culture that it stems from. KNMA's Delhi museum is strategically located within a mall, in the midst of high public footfalls, actively encouraging and inviting interaction.

KNMA regularly throws open its doors through numerous activities, bridging the gap between art and the masses and instilling a museum-going culture in India. From art appreciation workshops, lectures with eminent artists, seminars and educational tours for schools and colleges, KNMA is an epicenter for appreciation of art.

TRANSFORMING LIVES

Children of daily wage workers and farmers in remote villages, often the first generation in some families to get educated, are now confident youngsters, looking forward to a world of opportunity and hope. A new generation of youth is being trained to serve as leaders and invent solutions for tomorrow.

For the son of a small farmer in a remote village, studying in a big city was a distant dream.

After a campus placement with Infosys, the dream of becoming a future entrepreneur is very close to reality.

Prabhakaran G was a Rural Scholarship Scheme Student at SSN and is currently working with an MNC

Shikha's family lives in a kutcha house, and her father is a farmer in Bulandshahr. Shikha aspires to become a doctor and reform the village health system. She loves dancing, singing and volleyball. Shikha's village now enthusiastically educates its girls and treats them equally.

Shikha (11 years) is a VidyaGyan student

After the death of his father, Kanhaiya's family of seven was left without a breadwinner. But, today Kanhaiya is working towards his dream of becoming a pilot. He speaks English with confidence, plays football and loves computers.

Kanhaiya Lal (14 years) is a VidyaGyan student

SHAPING THE FUTURE

Across SNF institutions, lives are being transformed, opportunity and hope are fresh and a better future is very much in sight.

This daughter of a daily wage earner was sure to have discontinued studies. Today, she is an aspiring IT professional with a campus placement. In just four years, a shy, timid girl has blossomed into a confident English-speaking Bio-medical graduate.

Venila is a Rural Scholarship Student at SSN

A large family of ten survives on the agricultural produce of a small tract of land, struggling to make ends meet. No wonder the parents wished to stop Sajid's primary schooling. Shy, uncomfortable Sajid has now settled into his hostel and aspires to become a doctor and return to his village. He is a role model for his entire village.

Sajid Ali (15 years) is a VidyaGyan student

LEADERSHIP PROFILES

- SHIV NADAR

OUR LEADERS OF TODAY

Shiv Nadar with students of VidyaGyan

Shiv Nadar (Founder & Chairman - HCL and Shiv Nadar Foundation)

Shiv Nadar was born and raised in mofussil Tamil Nadu, in an India awakening to its first Prime Minister, Jawaharlal Nehru's "Tryst with Destiny". Studying his way through the Indian schooling and graduate system, a scholastically-gifted Shiv Nadar confronted both the harsh realities and the opportunities of a struggling Indian state before he saw his first big town, Chennai, at the age of 21. His story is both a reflection of the times he lived in as well as the future that he always dreamt of shaping.

He was part of the elite DCM management trainee system where he met several of the people with whom he was soon to impact an entire industry as a pioneer of modern computing. In 1976, eight young men left DCM to create HCL in a Delhi Barsati "akin to a garage startup" with a compelling vision - that the microprocessor would change the world.

A visionary, Shiv Nadar made HCL an engine of invention, turning dreams into reality. HCL, under his leadership, revolutionized Indian technology and product innovation with many world firsts to its credit. In the last three decades, HCL has evolved into a \$6.5-billion global enterprise with over 95,000 professionals from 102 diverse nationalities, who operate from 70 countries, including over 500 points of presence in India.

After playing a key role in putting India on the global technology map, HCL in 2014 diversified and forayed into healthcare, an area of paramount national importance. HCL Healthcare aspires to be the nation's leading healthcare company by providing innovative medical services, products and training to meet the growing demand for quality healthcare. HCL AVITAS is its first subsidiary set up to provide integrated care across India.

In 1994, he established what he believed was closest to his heart - the philanthropic Shiv Nadar Foundation. Today the Foundation is a significant driver of social change and transformational education through its landmark institutions spanning the entire education spectrum from schools to universities.

In recognition of his pioneering role in business and philanthropy in India and across the globe, Shiv Nadar has received several honours and accolades, notable being the Padma Bhushan from the President of India in 2008 and the BNP Paribas Grand Prize for Individual Philanthropy in 2013.

He stays in Delhi with his wife Kiran, an internationally renowned bridge player and an avid art collector.

TSR Subramanian (Former Cabinet Secretary, Government of India; Trustee, Shiv Nadar Foundation)

TSR Subramanian retired from public service in India after a distinguished career spanning 37 years. He has held the highest civil service position i.e. the Cabinet Secretary to the Government of India, and also the position of Chief Secretary in Uttar Pradesh, the largest state of India. His other civil service posts in the government of India include Secretary in the Ministry of Textiles and Joint Secretary in the Ministry of Commerce. He has been the Agriculture Production Commissioner as well as the Director of Industries in the State Government of Uttar Pradesh.

Kiran Nadar (Trustee, Shiv Nadar Foundation; Chairperson, KNMA)

Kiran Nadar is a Trustee of the Shiv Nadar Foundation and Chairperson, Kiran Nadar Museum of Art. She is also an acclaimed international bridge player, a philanthropist and an avid art collector. She has been acknowledged as a 'hero of philanthropy' by Forbes Asia Magazine in 2010 for launching India's first private philanthropic museum.

Manmohan ('Moni') Malhoutra (Trustee, Shiv Nadar Foundation)

Moni Malhoutra is a former officer of the Indian Administrative Service (1961, UP cadre). He served in the Secretariat of Prime Minister, Indira Gandhi, from 1966 to 1973 before joining the Commonwealth Secretariat in London in 1974 as the head of its International Affairs Division. He was Assistant Secretary-General of the Commonwealth from 1981 to 1993; a member of the Board of Directors of the International Institute for Democracy and Electoral Assistance, Stockholm from 1996 to 2005 and Secretary-General of the Rajiv Gandhi Foundation, New Delhi from 2001 to 2007. In addition to the Shiv Nadar Foundation, he is a Trustee of the Indira Gandhi Memorial Trust, the Jawaharlal Nehru Memorial Fund and a number of other charitable organizations.

Roshni Nadar Malhotra
(Trustee, Shiv Nadar Foundation
Chairperson, VidyaGyan Management Board
Executive Director & CEO, HCL Corporation
Director, HCL Technologies)

Roshni Nadar Malhotra is a Trustee of the Shiv Nadar Foundation and responsible for directing its overall vision and strategy. As the Chairperson of VidyaGyan Management Board, she is involved in formulating the strategic direction and providing operational oversight. Under her leadership, VidyaGyan has started showing excellence in various fields, creating spirals of inspiration, and delivering on the promise of creating catalytic leaders from rural India.

Further, Roshni is the CEO and Executive Director of HCL Corporation and a Director on the Board of HCL Technologies. At HCL, she provides guidance in key areas of governance, investments, portfolio management and business diversification.

For her inspiring work in philanthropy and education in India, Roshni has been inducted into the Forum of Young Global Leaders, a unique, multi-stakeholder World Economic Forum community of more than 900 exceptional young leaders. Also, she has been recently conferred the prestigious 'NDTV - Indian of the Year - India's Future award under the 'Philanthropic category.

Shikhar Neelkamal Malhotra
(Trustee, Shiv Nadar Foundation
CEO, Shiv Nadar School
Director, HCL Corporation
Vice Chairman, HCL Healthcare)

As a Trustee of the Shiv Nadar Foundation, Shikhar Malhotra brings a global outlook, strategic vision, passion for social enterprise and institution-building to the Foundation.

Shikhar is the CEO of Shiv Nadar School. He is actively involved in developing and building the schools to help establish newer benchmarks in academics, extra-curricular development and pedagogy. The Foundation aims to establish 25 schools across India by 2020, having set up its first two schools in Noida and Gurgaon in 2012.

He is also the Director of HCL Corporation and the Vice Chairman of HCL Healthcare, a network of outpatient family clinics providing integrated specialty healthcare in affiliation with Johns Hopkins, the #1 healthcare system in US. As a founding member of HCL Healthcare, Shikhar spearheads the incubation of the healthcare business and provides strategic directions for the same.

Shikhar was born in India, raised in Kuwait and has completed his degree in entrepreneurship from Babson College, US.

He is a football aficionado and continues to play. Shikhar lives in Delhi with his wife Roshni and their son Armaan.

INITIATIVE LEADERSHIP VIDYAGYAN

B Banerjee (Principal, VG, Bulandshahr, UP)

A postgraduate in Physics, he started his professional career as a teacher in 1988. In 1992 he joined Delhi Public School, Noida as a Physics Teacher and later became the Head of the Department. He was instrumental in setting up the Career Counselling Cell in Delhi Public School and also prepared test material for aptitude test used in Career Counselling Workshops. He has conducted many workshops on Career Counselling, Setting a Question Paper, How to Prepare for Exams, Time Management, and Motivation etc.

In 2002 he took over as Principal of DPS, Lucknow, served for three years and then joined DPS Jalandhar as Principal. He has been recognized for his social work by NGOs like HelpAge India, CRY, Cancer Aid Society etc. For his contribution in the field of education he was felicitated with Dr Radhakrishnan Samman.

Shikle John David (Principal, VG, Sitapur, UP)

Shikle John David is an effective catalyst in planning and executing multi-dimensional development of institutions. He has a vast experience in mentoring, building effective teams to bring about optimum performance, energizing and honing stakeholders' potential.

John David holds a Master's degree in Education and English from Osmania University and has over two decades of experience in teaching, administration, and training at various levels with school leaders, teachers, students and parents. He had worked in several prestigious institutions in the country. His last assignment was at RUMI Education (RF Chandler Cooperation - Singapore) as Academic Head Training and Curriculum implementation. He broke away from conventional learning structures and successfully designed and launched challenging child-centered curricula, integrating all disciplines.

A strong background in administration, people relations, coordination and counselling gives him a clear perspective in understanding the needs of the students and teachers. His expertise lies in fostering a positive environment for children and investigating causes leading to mediocre performances in students.

Komal Sood (Curriculum and Training Director, VG)

Komal held the position of Principal at The Shri Ram School, Delhi/Gurgaon before joining the VidyaGyan School. She is an academican with over two decades of experience in the field of education and school administration. Komal completed her schooling from Sardar Patel Vidyalaya (Delhi) and went on to pursue her higher education (M.Sc.) in Biochemistry from Delhi University, where she received the University Gold Medal.

Komal was on the board of NCERT and a part of the inspection team for the Indian School Certificate Affiliation (ICSE and ISC). She was also a member of the Haryana Education Department and was involved in the recruitment of teachers for Haryana Government Schools. Komal has conducted several workshops on Classroom Management, Formative and Summative Assessment, Innovative Science Teaching Methodologies and Leadership Styles in Education. She believes in making education 'fun' and relevant for the children.

**SK Maheshwari
(Project Director & Chief Admission Officer, VG)**

SK Maheshwari retired from Public Service as Regulatory, Social Welfare and Developmental Civil Servant after a distinguished career spanning 34 Years. Apart from being a Sub Divisional Magistrate, Additional District Magistrate, Chief Development Officer in various districts of Uttar Pradesh, he has served as the District Magistrate of Champawat, Uttar Kashi and Haridwar in the state of Uttarakhand. He was awarded International license for "Training of Trainers" by Thames Valley University, London. He has also served as Joint Director in the prestigious UP Academy of Administration, Nainital for many years. As Additional Director Social Welfare, he provided successful leadership to various Social Welfare activities in Uttarakhand. He remained Additional Secretary, Secondary Education and Higher Education to the Government of Uttarakhand, before he was elevated to the posts of Secretary, School Education and Director, School Education to the Government of Uttarakhand. Associated with VidyaGyan for the last 7 years, Mr. Maheshwari has been instrumental in building one of the largest search processes in the country in inclusive education.

SHIV NADAR SCHOOL

Shashi Banerjee (Principal, SNS, Noida)

Shashi Banerjee has explored curriculum and pedagogy across three continents through educational exchange programs with the United Kingdom, Norway and Singapore. In her career span of two decades, she has developed teaching-learning material, scripted directed and presented musicals for children with diverse abilities. She is empanelled with the Doordarshan and AIR for discussions on cultural integration in school education. She has also mentored learners (teachers and students) through group and individual counselling. She is also involved in training teachers of the Navodaya Vidyalayas across India, facilitating the implementation of the co-scholastic domain of the Continuous Comprehensive Evaluation since 2009. She also conducts training for NGOs on Volunteerism and Leadership Skills.

She is a postgraduate in Education, English and Sanskrit and holds a Master's degree in Indian Classical music and dance.

Monica Sagar (Principal, SNS, Gurgaon)

Monica Sagar was formerly the Vice Principal at The Shri Ram School, Gurgaon where she had served since 1997. Before adopting the mantle of Vice Principal, she had served as the Head of Department for IBDP and ISC/ ICSE Economics, a subject she has been passionate about since her days as a student at Punjab University where she pursued her Bachelors and Masters degree in Economics, achieving a first division in both. Ms. Sagar has touched the lives of a number of students who remember her fondly and are still in touch with her after years of leaving school. She enjoys reading, being in touch with the latest educational practices and working with children of all ages.

Col. Gopal Karunakaran (Director, SNS)

Colonel Gopal Karunakaran is the Director of the Shiv Nadar School. Prior to this, Gopal was Vice President, Indus World Schools of the Career Launcher Group, where he headed the Group's K-12 schools expansion drive, having grown the schools from standard II to XI across India.

Gopal is part of the Confederation of Indian Industry's prestigious National Council on Education and in his former term was part of the team which made recommendations to the Government of India on the implementation of the Right to Education Act and Public Private Partnership (PPP) in education. Gopal's passion for education as a tool for social transformation has driven him to absorb a rich and diverse experience across all facets of school education including policy, academic leadership, operations and business, and an understanding of the key drivers of the education sector in India.

Anuradha Sen (Director, Academics and Training, SNS)

With a Masters in Political Science and Education, Ms. Sen has a teaching and administrative experience of 28 years. She held the posts of Head, Senior School, Springdales School, Dhaula Kuan, Principal; The Srijan School, Model Town and Director of Academics, Education Quality Foundation of India. She has conducted numerous workshops with teachers and principals on whole school development and teaching methodology. She has been involved with curriculum and syllabus planning as member, Syllabus Review Committee for Social Sciences, NCERT (2005) and Textbook writing Committee for Political Science. She was appointed as ideator for development of syllabus and materials for Political Science, for the CBSE International (CBSE-i) in 2010. She was member of the core group which prepared the training manual for Central Board of Secondary Education (CBSE) for Continuous and Comprehensive Evaluation in secondary school and conducting the training for principals of CBSE schools.

Passionate about creating a learning space for children and connecting learning to the students' context, she believes in an integrated approach in the teaching-learning process.

Payal Kapoor (Head, teaching & training, SNS, Gurgaon)

An alumna of Kolkata University, Payal Kapur began her teaching career at Welham Boys' School, Dehradun as a member of the English faculty. Later, she taught English at the Agha Khan Education Centre, Delhi and at The Shri Ram School, Gurgaon for over ten years where she held several positions including Head of the English Department and Academic Coordinator, Senior School. From 2003 to 2007, she served as Principal of the Senior School at The Shri Ram School, Aravali. She joined as the founding Principal of Step by Step School, Noida in 2007 and continued in that capacity till November 2012. As Principal she provided leadership and direction to ensure the smooth functioning of the schools, with specific focus on academic excellence and co-curricular programmes.

Payal is a passionate and innovative educator. She has a deep understanding of children's educational requirements and brings a wealth of experience to her role as Head of Teacher Training at the Shiv Nadar School.

R Srinivasan (Chairman, SSN Institutions)

R. Srinivasan is the Chairman of SSN Institutions and plays a key role in managing the SSN Institutions.

He is also the Founder, Managing Director of Redington (India) Limited – a ₹ 4.2 billion Technology Products Supply Chain Solution Company operating in India, Middle East, Africa & Turkey. Prior to starting Redington in Singapore, he spent three years in Indonesia with a leading Textile Company between 1978 and 1981. Srinivasan also had significant stints with Readers Digest and The Coca-Cola Corporation in India. Srinivasan holds an Electrical Engineering degree from Madras University and an MBA degree from the Indian Institute of Management, Ahmedabad.

He sits on the Boards of Arena Bilgisayar Sanayi Ve Ticaret A.Ş (a listed company in Turkey), HCL Technologies Limited and Easyaccess Financial Services Limited. He is also a Trustee of Kidney Help Trust, Chennai and Vice President of Music Academy, Chennai.

Kala Vijayakumar (President, SSN Institutions)

Kala plays a key role in managing the SSN Institutions. With a keen interest in inclusive education, she has made SSN an institution of international repute. She has been instrumental in setting up a special scholarship scheme for the benefit of rural students at SSN.

Kala has played a pivotal role in establishing a unique collaboration with the Carnegie Mellon University, USA, a global top 10 engineering institution, and the SSN Institutions. The SSN School of Advanced Software Engineering currently offers the MSIT (Master of Science in Information Technology) degree of Carnegie Mellon University and has successfully placed students across global organizations in the last 10 years.

Kala is a university rank holder and has a Master's degree in Mathematics from the Stella Maris College, Madras University. She has a rich mix of entrepreneurial, professional and academic management experience from having formerly worked in the software industry.

S Salivahanan (Principal, SSN College of Engineering)

S Salivahanan is the Principal of SSN College of Engineering since July 2003. He graduated in Electronics & Communication Engineering from PSG College of Technology, Coimbatore, has completed his masters in Communication Systems from NIT, Trichy and is a Ph.D. in the area of Microwave Integrated Circuits from Madurai Kamaraj University. He has over three decades of teaching, research and industrial experience in India and abroad. He is the recipient of 'Bharatiya Vidya Bhavan' National Award for 'Best Engineering College Principal' for 2011 from ISTE and IEEE, Outstanding Student Branch Counselor & Advisor for 1996-97 in Asia-Pacific region. He is the author of 28 popular text books in the field of Electronics & Communication Engineering with one of his books also having been translated into Mandarin. He was a Syndicate Member of Anna University, the world's largest technical University from 2004 to 2007. He is the Chairman of IEEE MTT-S Madras Chapter since 2010, a Fellow of IETE, Fellow of The Institution of Engineers (India), Senior Member of IEEE, Life Member of ISTE and Life Member of Society of EMC Engineers (India).

Shashikant Albal (Director, SSN School of Advanced Software Engineering)

Shashikant Albal obtained his Master of Engineering from the University of Bombay and PhD from the Indian Institute of Technology, Bombay in the field of Computer Aided Design using finite element technique. Prior to SSN, he has worked in Bombay University (VJTI) for 12 years and taught a variety of subjects. In addition to academics and research, he has worked in diverse roles in leading industries for twenty years where he handled responsibilities of training, technology and software project management. Besides holding the reigns as a director of SSN SASE from its inception (Nov 2001), he teaches a number of subjects including Managing Software Development, Software Process Definition, Software Measurement, and Personal Software Process. At present he is also focussing on utilization of technology advancements in innovative teaching-learning process. He is recognized as an international faculty by Institute for Software Research, Carnegie Mellon University. He works as a program committee member of International Conference on Software Engineering Education and Training (CSEET) from 2009-10 onwards.

B Srinivasan (Professor & Director, SSN School of Management & Computer Applications)

B Srinivasan, Professor & Director, SSN School of Management & Computer Applications has over three decades of experience in the Indian industry and over 7 years of experience in teaching marketing elective courses. He holds a B.Tech degree from Regional Engineering College, Trichy and a PGDM from the IIM, Kolkata where he was placed in the Roll of Honour. B Srinivasan has extensive experience in the industry primarily in the FMCG sector. He has handled several roles in sales management, product & brand management, advertising and sales promotion at various levels in FMCG companies. He was also into strategic marketing consulting for major companies in the country. He has taught elective courses in sales & distribution management, consumer behaviour and brand management for full-time MBA students of Madras University, Anna University and post-graduate program in Management offered by Indo-German Chamber of Commerce, Chennai.

SN Balakrishnan (Chancellor & Chairman, Executive Council, SNU)

S N Balakrishnan, former Curators' Professor of Aerospace Engineering in the Department of Mechanical and Aerospace Engineering at the Missouri University of Science and Technology, joined Shiv Nadar University as the Chairman of the Executive Council in 2013 and became the Chancellor in April, 2014. Dr. Balakrishnan also founded IST- Rolla, a firm focused on research, development and technology in the aerospace and manufacturing areas.

Dr. Balakrishnan's research interests include control of aerospace and mechanical systems, flight and orbital mechanics, optimization, identification and estimation, stochastic processes, neural networks. He has a strong research record in intelligent control and was the first to develop optimal neurocontrollers for systems modeled by partial differential equations and systems driven by impulse inputs and switched systems. He has done extensive work in missile defense, aircraft control, launch vehicle and spacecraft control areas.

Dr. Balakrishnan is associated with the American Institute of Aeronautics and Astronautics (AIAA). He has published numerous papers and guided post-doctoral and graduate students at the University.

P Ramasamy (Dean Research, SSN College of Engineering)

P Ramasamy completed his PhD in Physics in 1967 from the University of Madras and won the Governor-Chancellor's Gold medal for best thesis of the year. He is a former Vice Chancellor of Alagappa University and Founder & Director of Crystal Growth centre, Anna University. Dr Ramasamy is a recipient of UNESCO instituted Neil Bohr's Gold Medal in the year 1998 and has received the Kharazmi International Festival Award 1998 by the President of Islamic Republic of Iran. A study undertaken by National Institute of Science and Technology & Council of Scientific and Industrial Research (CSIR), India, named Dr. P Ramasamy among the most productive scientists in India (Period 1996-2006). Dr. Ramasamy has been awarded more than 40 international fellowships and has written 7 books and edited 15.

He has held memberships in more than 30 professional bodies including Vice President, Indian Physical Society; Vice President of Indian Chapter of International Centre for Theoretical Physics, Trieste, Italy etc.

Nikhil Sinha (Vice Chancellor, SNU)

Nikhil Sinha is the founding Vice Chancellor of Shiv Nadar University and Chairman of the Board of Directors of HCL Infosystems. He also serves as Senior Advisor to the Shiv Nadar Foundation and HCL Corporation. He is a leading international expert on the information and communication technology industries and has extensive experience as an academician and corporate executive.

Nikhil's professional career spans over 30 years during which he has held top-level positions at several organizations. Nikhil served as Associate Dean for Academic Affairs in the College of Communication at the University of Texas from 2002 to 2005 and as a faculty member at the University from 1991 to 1999. He has also been a Venture Partner at Adams Capital Management and CEO of iDLX Technology Ventures. Nikhil is Director Emeritus of the US-India Business Council and a member of the Advisory Board of the Annenberg School for Communication at the University of Pennsylvania.

Rajiv Swarup (President, SNU)

Rajiv Swarup heads all support functions such as Admissions, Career Opportunities Cell, Communications, Finance, Human Relations, Information Technology, Administration, Purchase and Campus Infrastructure Development. With nearly four decades of rich & varied experience behind him in incubating, managing and developing both strategic & operational aspects of large sized businesses, Rajiv recently superannuated from HCL Technologies as Senior Corporate Vice President and Chief Customer Officer – Strategic Accounts, based out of Rochester, New York. He had a long and fruitful career with HCL spanning over 13 years, working across divisions in different senior capacities. Prior to HCL, Rajiv was the CEO of a JV company in the Modi group. Rajiv is a B.Tech in Electrical Engineering from IIT Kanpur and MBA from the University of Delhi, Rajiv is also a certified Six Sigma Green Belt holder.

Shubhashis Gangopadhyay (Director, School of Social Science and Humanities, SNU)

Shubhashis joined the Indian Statistical Institute in 1983 after his PhD from Cornell University and was promoted to full professorship in 1991. In 2003 he took over as Founder-Director of India Development Foundation (IDF), an independent research organization. Shubhashis is the Chief Editor of the Journal of Emerging Market Finance (Sage Publications), and has been an associate editor of the Journal of Financial Stability (Elsevier). He has served on the Boards of IRBI and the Centre for Analytical Finance (Indian School of Business, Hyderabad). He has been a member of the Bankruptcy Task Force of IPD, Columbia University, the International Advisory Board of the Centre for Law and Economics of Financial Markets (Copenhagen Business School) and the South Asia Chief Economist’s Advisory Council of the World Bank. He is the founder-President of the Society for the Promotion of Game Theory and its applications.

In 2008, he was the Advisor to the Union Finance Minister and became the youngest ever Secretary to the Government of India.

M. Gopal (Director, School of Engineering, SNU)

Dr. M. Gopal joined the Shiv Nadar University after serving in the Department of Electrical Engineering, IIT Delhi. His teaching and research stints span three decades at the IITs. He is a globally known academician with excellent credentials as author, teacher, researcher, and administrator. Dr. Gopal is the author/co-author of six books on Control Engineering. Some of his works have been translated into Chinese and Spanish. In India, his books have been the major source of learning for about three decades.

As a teacher, his potential is being used globally through a video course - one of the most popular courses on YouTube by the IIT faculty. Dr. Gopal is an eminent researcher in the area of Machine Learning.

Rupamanjari Ghosh (Director, School of Natural Sciences and Dean of Research & Graduate Studies, SNU)

Rupamanjari Ghosh completed her PhD from the University of Rochester, USA, where she was a Rush Rhees Fellow. She has held several Visiting Faculty/Scientist positions on invitation abroad, and delivered numerous invited research seminars in India and abroad. In December 2009 she received the Stree Shakti Science Samman, which is “an award to honour a woman scientist who has provided an original contribution to Science”. She is well known for her stand and efforts to bring in gender-justice and environment consciousness. Other than teaching, research and administration at the University level, she has served as the Chief Advisor for the new NCERT Science textbooks for Class IX and Class X in 2005 and 2006. She is also well known for her role as an expert/Delhi Coordinator in the interviews for selection of students under the Kishore Vaigyanik Protsahan Yojana (KVPY), DST till 2012.

KIRAN NADAR MUSEUM OF ART

Shekhar Chaudhuri (Director, School of Management and Entrepreneurship, SNU)

Professor Shekhar Chaudhuri, the Founding Director of the School of Management and Entrepreneurship at the Shiv Nadar University earned his B.tech (Hons.) degree in Mechanical Engineering from IIT Kharagpur and the title of Fellow (Doctorate) in Business Policy from IIM Ahmedabad. Prior to joining SNU he was the Director of IIM Calcutta from November 2002 till April 2012, during which period the Institute went through transformational changes resulting in significant improvement in all round performance. He was a faculty member at IIM Ahmedabad from March 1981 till January 2008, visiting Professor in the College of Business and Administration, Southern Illinois University at Carbondale (August 1989 to July 1991), visiting Professor ESCP (Paris School of Management) and Dean, Vinod Gupta School of Management, IIT Kharagpur. His teaching and research interests are in the areas of Strategic Management, Management of Technology and Innovation and International Management. He received the MITSOG's Bharat Asmita Acharya Shreshtha Award 2009 (Best Teacher in Management) from the Hon'ble Vice President of India and the Ravi J. Mathai National Fellow Award from the Association of Indian Management Schools in 2012. He has been a member of several high powered committees of the Government of India and industry associations and sits on the boards of several public sector and private corporations.

Roobina Karode (Director, KNMA)

Roobina Karode has the rare combination of two distinct post-graduate specializations in Fine Arts (Art History) and Education. She taught Western and Indian Art History for over fifteen years at various universities/institutions. An educator, art critic and curator, she has an integrated approach towards the Arts and envisions immense possibility for evolving a distinct model for KNMA.

Since KNMA opened its doors in 2010, Roobina has been steering the activities of the Museum and working to make it a people-friendly place. The major exhibitions that she has curated at KNMA include OPEN DOORS, CROSSINGS, DIFFICULT LOVES, an all women artists three part exhibition, YOU CAN'T KEEP ACID IN A PAPER BAG, IS IT WHAT YOU THINK? etc. She has recently curated an off-site exhibition titled ONEIRIC HOUSE showcasing videos, sound and text-based works by Sonia Khurana.

Roobina was awarded the Fulbright Fellowship in 2000 and was placed as a Visiting Scholar at Mills College in California. She was also awarded a Ford Foundation Teaching Fellowship at JNU for two years in 2006 and 2007.

IN MEMORIAM

Tejendra Gwala

I first met Tej in 2009 when he joined Sundar's expanded team working on the Foundation. I remember him as being shy, somewhat nervous and very deferential, at least towards me. Much of this was to change over the years as I got to know Tej better, and he got to know me.

I learnt from Sundar that Tej was a bright engineering student (a Rajasthan board topper) who later went and did his MBA along with Dhawal Geed, another high-energy team member. He wore his intelligence rather lightly, masking it often under the guard of a quiet demeanour. Of course over time I got to know him better. An extroverted, fun loving individual, his spirited side came to the fore. That is what I will fondly remember - how easy it was for him to laugh, share his uninhibited joy with others, take responsibility for things, make them happen, and most importantly, to reach out and touch people.

When I worked with Tej, I remember being harsh with him, only to raise his standards. Rather than take it badly, he came back to me several times saying that how much he appreciated my pushing him. I also remember fondly the fact that he would work very hard at creating powerful high impact and well-articulated communication. He did this progressively, as he imbibed this from others as an eager student.

I cannot turn the clock back but I wish I had spent more time on Tej. He reached out to me often, I remember how much he appreciated that initially, as a willing pupil, and later, as a contributing equal.

My final memory is of the night of 6 February during the HCL Healthcare launch at the Oberoi. I had no idea that Tej was not well, since his usual positive and smiling demeanour was all I saw. He got me some cheese toast to eat prior to the launch since I was starving. When I left at mid night he waved goodbye. I had no idea that it would be the final time.

Saurav Adhikari

President, Corporate Strategy, HCL Corporation
Senior Advisor, Shiv Nadar Foundation

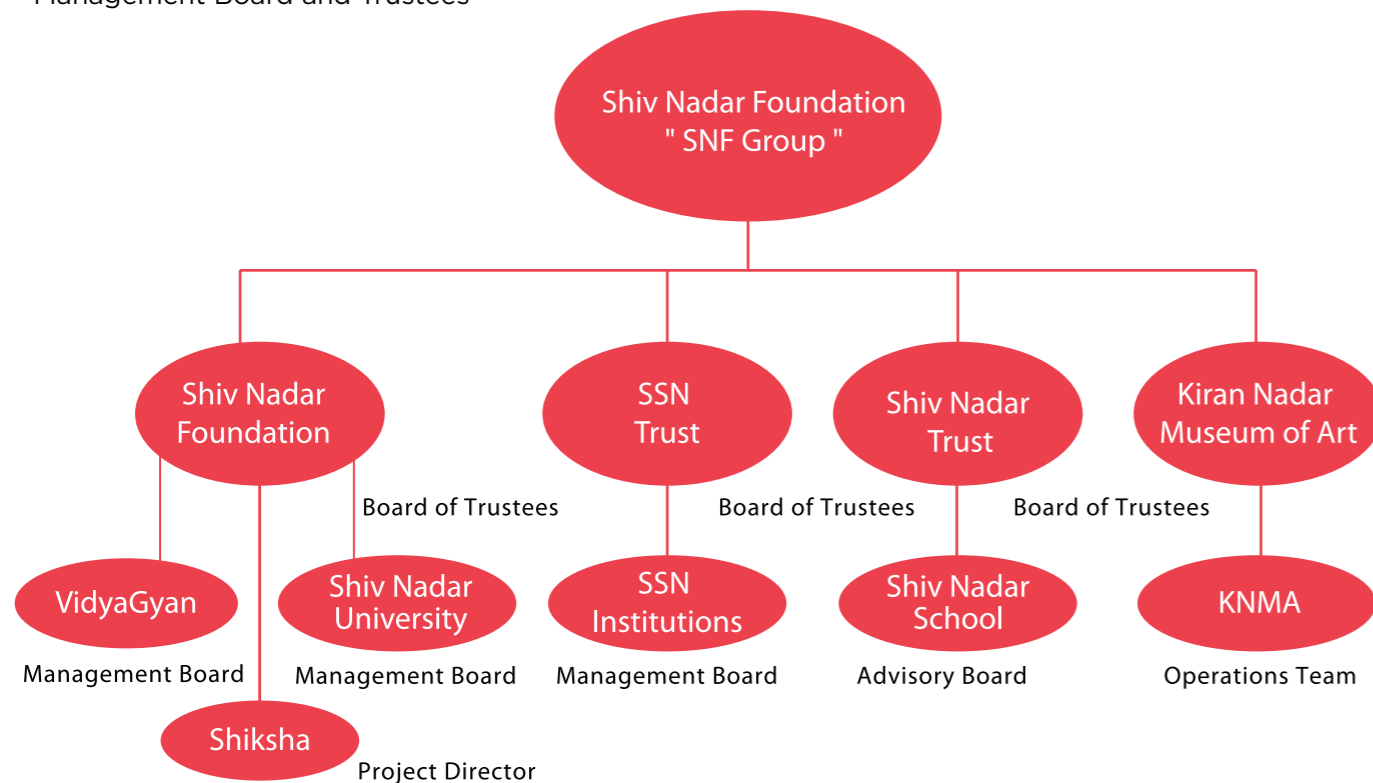

GOVERNANCE

Shiv Nadar Foundation ('Foundation') is a registered public charitable trust. Governance and Ethics are core pillars on which the Foundation has been built with a focus on exemplary standards and well-defined processes, systems and controls. Good governance practices and strong ethics provide a structure that meets the aspirations of all stakeholders which includes students, employees, executive management, Board of Trustees, society, alliance partners, funding agencies and the Government. The Foundation and its various associated entities (together 'SNF Group') are engaged in philanthropic initiatives (education, art and culture).

SNF Group Governance Philosophy

The SNF Group has always invested in a culture which emanates from the philosophy and rich legacy of ethical and transparent governance practices. The focus has been since the beginning to foster a culture which would stay with the best standards of professionalism, honesty, integrity and ethical behavior as the foundation grows. SNF Group believes that all domains of philanthropic initiatives irrespective of their size, growth and maturity curve would stay compatible with international standards and best practices.

The Board along with its committees undertakes its fiduciary responsibility to all its stakeholders by ensuring transparency, fair play and independence in its decision making. From a consistency perspective, focus is on the philosophy to drive excellence as SNF Group has adopted various internal tools and methodologies for tracking progress of its long term strategy and objectives. SNF Group's Code of Ethics serves as a guide to foster the values, ethics and principles. An escalation mechanism has been established and channelized for employees and other stakeholders to bring forward any concerns pertaining to non-adherence to the said Code, principles and practices directly to the Management Board and Trustees

Commitment to values

The Trustees, members of the Management Boards and various Committees and all employees are expected to conduct themselves with integrity, impartiality and honesty at all times, and maintains high standards of propriety and professionalism. The commitment of the SNF Group is to demonstrate excellence in all spheres of work and in its interactions with stakeholders.

SNF Group is committed to providing timely, consistent, and accurate information to its stakeholders within transparency framework. It ensures consistent disclosure practices are applied and all the stakeholders have prompt and simultaneous access to the disclosed information. Several accountability policies including the Code of Ethics, Conflict of Interest, Conflict Resolution, Risk Management, Whistleblower, Compensation and Record Retention and Destruction have been formulated to ensure adherence.

SNF Group always believes in investing in people and considers them as an integral asset. SNF Group follows best-in-class HR practices in its area of operation. Uniform Human Resource policies have been developed and these are reviewed on a regular basis to align them to new benchmarks and practices.

Societal impact

The face of philanthropy is changing. During the past, the emphasis was on donations and giving money for religious and social purposes. Now a more powerful trend is taking shape where people are investing in initiatives that bring about large sustained impact on society.

SNF Group believes in Creative Philanthropy and this type of philanthropy has the power to drive long term, sustainable, catalytic and multiplier impact for socio-economic transformation and change the future. SNF Group in its continuous effort to achieve the maximum impact on targeted beneficiaries, has initiated steps to measure the impact through innovative tools and measurement techniques, on the society taking benefits of philanthropy initiatives driven by SNF Group. This will help in understanding the social benefits derived by various initiatives undertaken by SNF Group.

Compilation of the Annual Report

To ensure the credibility, reliability, high quality standard and independence of this Annual Report, all philanthropic units and related transactions are independently audited by Price Waterhouse Coopers. Post this, Grant Thornton reviews and conducts agreed-upon procedures on consolidated financials of the SNF Group to ensure accuracy, disclosure and transparency yet remaining easy to understand.

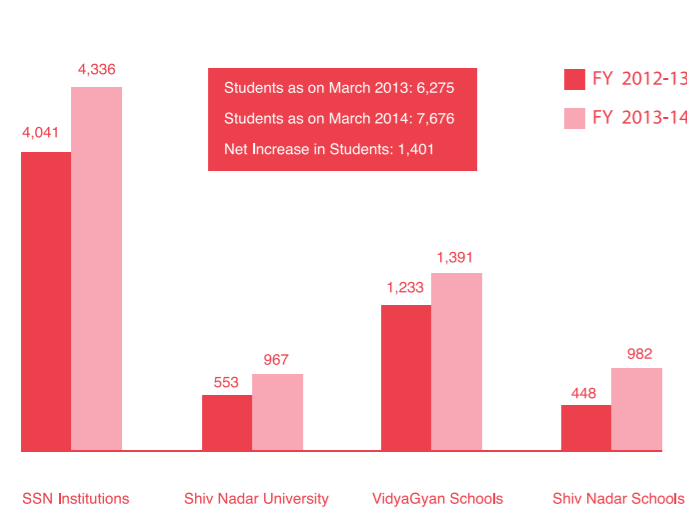

MANAGEMENT DISCUSSION & ANALYSIS

In Year 2013-14, the SNF Group has continued its journey in building leadership institutions of excellence. The SNF Group is in the process of creating awareness about strategic Creative Philanthropy among Corporate, Government Bodies, PSUs, Foundations and Individuals whom they see as key partners for sustainable long-term high impact change.

The key operational highlights of the philanthropic initiatives are covered in the earlier sections, mentioned below are the key metrics (including financials) for the initiatives undertaken.

Key Metrics

Particulars	SSN Institutions	Shiv Nadar University	VidyaGyan Schools	Shiv Nadar Schools	Kiran Nadar Museum of Art	Other Initiatives	Total Mar-14	Total Mar-13
Students	4,336	967	1,391	982	NA	NA	7,676	6,275
Faculty & Staff (Head Count)	427	269	92	209	15	51	1063	848
Total Investments (US\$ Mn)	51	129	57	39	107	108	491	331
Land Area (Acres)	228	286	64	11	NA	NA	589	589
Built-up Area (Mn sq. ft.)	1.6	1.2	1.0	0.4	0.03	NA	4.2	3.8

Student Strength

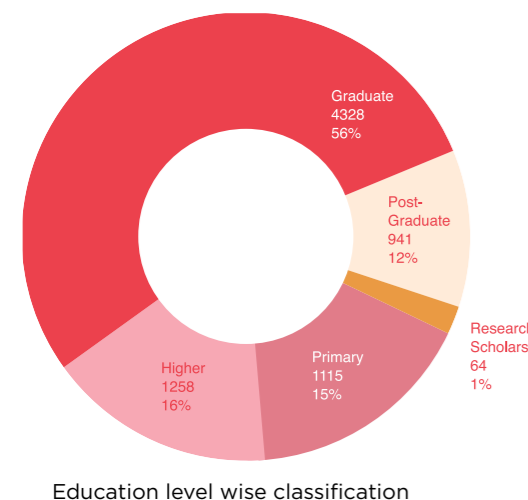

The SNF Group added 1,401 new students to their campuses during FY 2013-14, increasing the total student count to 7,676 as on March 31, 2014.

Out of the total students, 2,373 students are under the primary and higher education systems at the Shiv Nadar Schools and VidyaGyan Schools while 5,303 students are Graduates and Post-Graduates at SSN Institutions and Shiv Nadar University (including 34 Research Scholars at Shiv Nadar University).

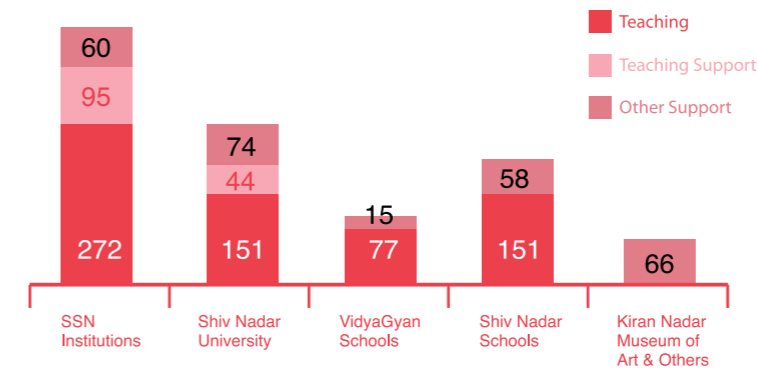

Mix Of Students

45% of the total students comprise of female students and 55% are male students which represents a healthy mix of students on the basis of gender.

Research Scholars includes 30 students of SSN Institutions which are not included in the total students' strength of 7,676 as shown above.

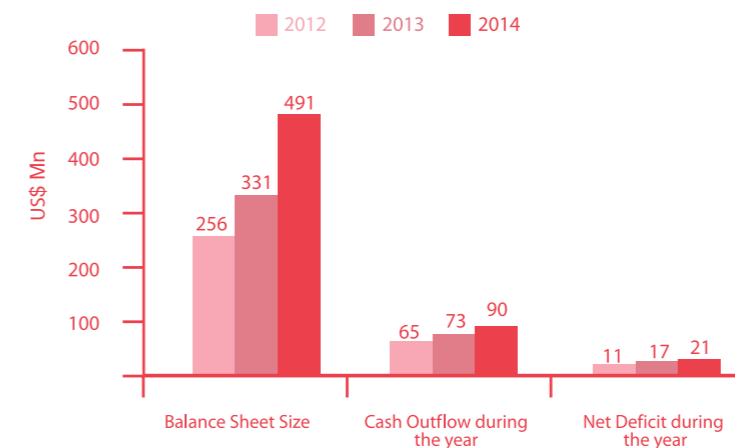

Faculty & Staff (Head Count)

Out of the total head count of 1,063; 651 (61%) represent teaching faculty, 139 (13%) represent teaching support and the remaining 273 (26%) comprise other support staff like HR, finance, admin and others.

The overall student-teacher ratio for schools is ~ 10:1 while for graduate, post-graduate and research studies collectively is ~ 13:1

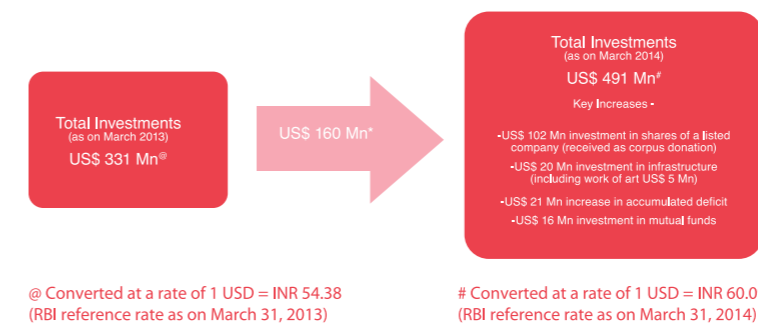

Financial Overview

Sustainability

In the defined direction of attaining sustainability, the SNF Group received 5.6 million shares of HCL Technologies Limited at a book value of US\$ 102 Mn (market value as on March 31, 2014 ~ US\$ 130 Mn) as corpus donation from Vama Sundari Investments (Delhi) P. Ltd., a promoter company. Also, the promoter companies (HCL Corporation P. Ltd. and Vama Sundari Investments (Delhi) P. Ltd.) pledged to contribute close to US\$ 500 Mn through Board Resolution dated September 19, 2013 in the next five years to support the SNF Group's initiatives.

Balance Sheet

The SNF Group's total investment outlay as on March 2014 reaches close to US\$ 500 million, up by US\$ 160 Mn i.e. an increase of 50% as compared to last year indicating the quantum of financial resources deployed upto March 2014.

The total spend in infrastructure (i.e. land, building and other assets) is - US\$ 207 Mn. Investment in work of art exceeds US\$ 86 Mn followed by accumulated deficits (reflecting excess of operating expenditure over income) close to US\$ 60 Mn. Other current and non-current assets of the SNF Group are close to US\$ 18 Mn majorly comprising investment in fixed deposit (exceeding US\$ 6 Mn including accrued interest), long term loans and advances close to US\$ 8 Mn and other assets including cash and bank balances.

*Foreign Exchange Impact

For an apples-to-apples comparison, if the value of investments as on March 31, 2013 had been converted at the foreign exchange rate of 1 USD = INR 60.09 (i.e. RBI reference rate as on March 31, 2014), the increase in investments would be - US\$ 190 million as against the US\$ 160 million (based on the closing investments value)

Cash Flow

The total cash outflow during FY 2013-14 is - US\$ 90 Mn, which mostly includes capital expenditure equivalent to US\$ 73 Mn on infrastructure projects i.e. building for additional capacity creation, purchase of work of art; and spend towards operating expenditure (net of income) - US\$ 16 Mn

	Year Ended March 31, 2014 US\$ Mn	Year Ended March 31, 2013 US\$ Mn
Opening Cash and Cash Equivalents	1.90	2.58
OUTFLOWS		
Net Outflow for capex and investment	73.50	60.25
Excess of operating cash expenditure over income	16.48	12.78
Interest Paid	0.23	0.29
TOTAL OUTFLOWS	90.21	73.32
INFLOWS		
Corpus (contribution to "SNF Group")	11.63	24.44
Loan net of repayment [from HCL Corporation P. Ltd., Vama Sundari Investment (Delhi) P. Ltd. (promoter company) and others]	73.78	46.68
Working capital / non current items movement including taxes	4.87	1.52
TOTAL INFLOWS	90.28	72.64
Effect of exchange difference on cash and cash equivalents	(0.17)	-
Closing Cash and Cash Equivalents	1.80	1.90

Expenditure

Total expenses for FY 2013-14 increased by US\$ 8 Mn (~ 28%). Almost 50% of this increase is reflected by increased cost of employee benefit expenses followed by depreciation & amortization expenses (~15%) and establishment & maintenance expenses (~ 12%)

Breakdown of Major Expenditure (US\$ Mn)	FY 2013-14	FY 2012-13
Employee Benefit Expenses	15.38	11.19
Depreciation & Amortization Expenses	5.86	4.77
Establishment & Maintenance Expenses	4.63	3.71
Academic Expenses	2.77	2.24
Scholarship Expenses	0.72	0.69

Employee Benefit Expenses

Employee expenses went up by 37% as compared to last year (an increase of US\$ 4.19 Mn during FY 2013-14) associated with following two major reasons:
 -Increase in headcount from 848 to 1,063 in FY 2013-14 (net increase of 215 employees). The increase in headcount is to support higher student enrollment and new programs launched by the SNF Group.
 -The other reason is increased salaries including increase in dearness allowance from 72% to 100% which is in accordance with the Government notification.

Depreciation & Amortization Expenses

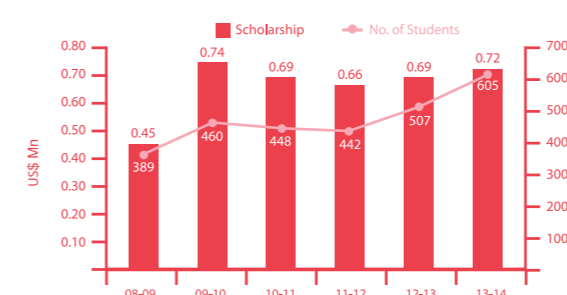

Depreciation & amortization expenses (contributing nearly 16% of total expenses) went up by US\$ 1.09 Mn from last year mainly due to addition in fixed assets / infrastructure.

Establishment & Maintenance Expenses

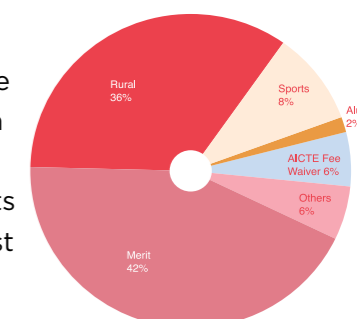

Spending in establishment & maintenance expenses category which includes items such as housekeeping, security charges, power & fuel and repairs and maintenance expenses went up by US\$ 0.92 Mn, an increase of ~25% so as to maintain and operate the existing campus infrastructure as well as increasing capacity creation.

Academic Expenses

Academic expenses of the SNF Group were US\$ 2.77 Mn, an increase of US\$ 0.53 Mn (24%) as compared to last year. This include course material and other expenses primarily on account of increase in students; expansion of curriculum and increase in consumable expenses by US\$ 0.33 Mn, training & development expenses by US\$ 0.08 Mn, and events & exhibition expenses by US\$ 0.10 Mn.

Total scholarship disbursed by SSN Institutions during the FY 2013-14 were US\$ 0.72 Mn as against US\$ 0.69 Mn last year. Total number of students benefited were 605 as against 507 last year.

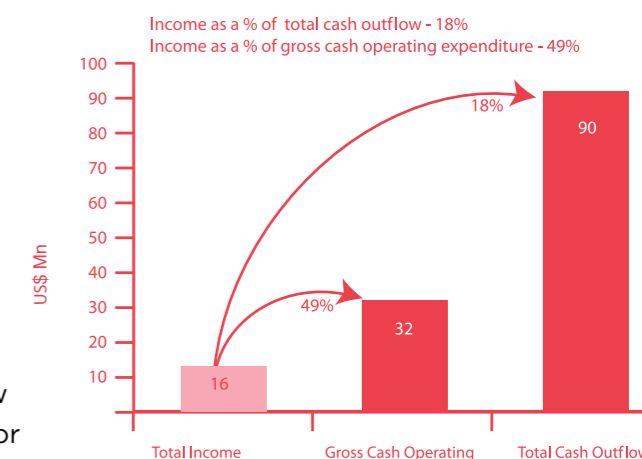

The mechanism for supporting Shiv Nadar University students is through fee subsidy, which is - 73% of the actual fee, instead of direct scholarship reimbursement.

Income

The SNF Group's income is less than 50% of its operating expenditure while as a percent of total cash outflow, the income is only 18%

The SNF Group's total income for FY 2013-14 grew by US\$ 3.53 Mn, or 28% from FY 2012-13. The major portion of this growth is attributable to fee income (which contributes nearly 85% of total income) as combined income from fee rose nearly 23% from the prior year to US\$ 13.54 Mn as a result of increase in number of students from 6,275 to 7,676 (i.e. 1,401).

Increase in other income from US\$ 1.43 Mn to US\$ 2.40 Mn (i.e. US\$ 0.97 Mn) is reflected primarily on account of receipt of dividend income of US\$ 0.93 Mn from the shares received by the SNF Group as corpus donation during FY 2013-14
